

edenclean Urinal Cleaner & Deodoriser

Description

A ready to use enzyme product specifically designed for use in bath and washroom areas. It's 2-in-1 action dispels odours caused by urine and prevents the build-up of uric acid scale, leaving a light vanilla fragrance.

Ideal for use in and around urinal bowls, channel urinals and surrounding walls and floors.

Used daily, the product will keep urinals free from odour and scale without the need for additional cleaning products. The effects of the product are most apparent in low flush systems.

Directions For Use

Liberally apply to the surface to be cleaned (no dilution required). Ensure to direct some solution into the drain. Leave for 30 minutes, then rinse with clean water. Repeat for stubborn stains, agitating with a brush if required.

For floors and tiles in washroom areas: Dilute 100 ml of product in to tepid clean water. Apply to surface via mop or wipe and leave to air dry.

Do not use in conjunction with bleaches or biocidal products.

Product Codes

EDN-UD-2X5

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

This product is believed not to be dangerous to the environment with respect of mobility, persistency and degradability, bio accumulative potential, aquatic toxicity and other data relating to ecotoxicity. However, do not allow large quantities of neat product to enter surface waterways.

Notes

Packaging is made from recycled materials.
